School Information

Welcome to all of our NL families for the 2023-2024 school year! We hope the following information will provide an easy reference for you throughout the year. For more detailed information or for our annual notices, please visit our website (www.norleb.org).

Entrance/Withdrawal

To register, please visit our Gateway registration portal by visiting our main webpage at www.norleb.org and completing the online portion of registration along with uploading mandatory documents.

Students not living in the Northern Lebanon School District who wish to attend Northern Lebanon Schools must obtain School Board approval prior to attending class. Procedures for this process can be obtained by calling the principal's office.

To withdraw from Northern Lebanon Schools, please have your new school complete a records request. A child cannot be withdrawn until the necessary paperwork is received from your new school. Cumulate records will be mailed to the new school directly from the school office.

Emergency School Closing/Delays

Cancellation of school because of inclement weather or other emergencies will be announced on local radio and television stations. Emergency closings are announced on the following stations:

WGAL-TV – Channel 8
WHP-TV – Channel 21
WHTM-TV – Channel 27
WPMT-TV – Channel 43

Note: Email & Text Alerts are also sent from the district.

Volunteers and Chaperones at NLSD

We invite parents to visit the school or to volunteer for the many different events throughout the year. If you are visiting, you must report to the school office prior to visiting classrooms. Prior notification is strongly encouraged, and visitors should be prepared to show picture identification. Volunteers will need to apply for clearances which can be done through the website (<https://www.norleb.org/clearances>). Please contact your school office for more information.

Immunizations

All children attending public, parochial, or private schools **are required by law to be fully immunized** against the following diseases: Diphtheria, tetanus, pertussis, polio, measles, mumps, rubella, (German measles), varicella/chicken pox, hepatitis B, and meningococcal conjugate vaccine.

Immunizations are required by law as a condition of attendance. Exemptions from these immunizations will only be allowed because of the following reasons:

- **Medical Exemption** – A physician must provide a written statement that immunization may be detrimental to the child's health.
- **Religious Exemption** – A parent or guardian must submit a written objection on religious grounds.
- **Philosophical/strong moral or ethical conviction exemption** – A parent/guardian must submit a written objection on philosophical or ethical exemption.

Since obtaining of the proper immunizations is a condition of school attendance, the law stipulates that failure to get the proper immunization shall result in the exclusion of your child from school.

Illness

It is best to keep your child home if he/she has any of the following symptoms:

- Temperature of 100 degrees or higher (should be normal for 24 hours before returning to school).
- Vomiting or diarrhea.
- Persistent or uncontrolled cough.
- Eyes – red, with a purulent discharge.

Your child should remain at home until these symptoms are resolved or medically treated.

The following interpretations of some of the state health laws are found in "Rules and Regulations for the Control of Communicable Diseases Board Policy 203:"

The Board authorizes that students who have been diagnosed by a physician or are suspected of having a disease by the school nurse shall be excluded from school for the period indicated by regulations of the Department of Health for certain specified diseases and infectious conditions.

School Information

Health Regulations

The following services are a part of the school health program:

- Physical Examinations – (Kdg., 6 & 11)
- Dental Examinations – (Kdg., 3 & 7)
- Recording the growth of every child – (All Grades)
- Vision and Hearing Screenings – (Vision – All Grades; Hearing – K-3, 7 & 11)*

* Screenings should not take the place of private complete vision and hearing exams.

Gold Cards

The Northern Lebanon School District issues Gold Cards to district residents or relatives of students in the district who are 60 years of age or older. The Gold Card entitles the person to whom it is issued to attend home athletic events, plays, concerts, and a variety of other school-sponsored activities free of charge.

Applications for passes are available in the superintendent's office. Upon completion of the application, your pass will be presented to you. For further information contact the District Office at 717-865-2119.

Transfer from School

Parents of elementary students who plan to move from the community shall contact the office for information on the withdrawal process. Middle/high school students should report to the guidance office for information on the withdrawal process. Cumulative records will be mailed to the new school directly from the school office.

Request for Absence to Travel

Request forms should be completed and forwarded to the appropriate building principal. If at all possible, requests should be made at least a week in advance of the proposed trip. Failure to receive prior approval could result in an unexcused absence. Requests for more than 5 (five) school days per year will need approval by the Superintendent or designee.

Report Cards

Northern Lebanon Middle/High School students receive a report card four times a year. The elementary report card is sent to parents three times a year in grades Kindergarten through 6th Grade. Mid-trimester progress reports are also sent to parents at the mid-point of each trimester to keep communication of progress current. In addition parent-teacher conferences are being planned for all grades during the school term. Parents are urged to seek conferences with teachers whenever the need is felt. Teachers may invite parents for conferences at any time.

Professional Qualifications of Classroom Teachers

As a parent of a student at Northern Lebanon School District, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers and requires us to give you this information in a timely manner if you ask for it. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- Whether Pennsylvania Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether Pennsylvania Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- The teacher's college major; whether the teacher has any advanced degrees, and if so, the subject(s) of the degrees.
- Whether any teachers' aides or similar paraprofessionals provide services to your child, and if they do, their qualifications.

If you would like to receive any of this information, please contact the Superintendent's office at 717-865-2119.

Emergency Preparedness

NLSLD has and follows an all hazards disaster response and emergency preparedness plan. It has been developed with input from our community emergency response agencies. It is exercised and reviewed annually.

Safety and Security Committee – The school district has a Safety and Security Committee which meets monthly throughout the year. This committee is comprised of representatives from all areas within our district. Departments represented are: Administration, Transportation, Health, Elementary and Secondary Teachers, Maintenance/Custodial, and Information Technology. Members review accident and injury reports, facilitate training for staff members, review plans and make suggestions for safety improvements.

School Police – The school district employs a School Police Officer. This officer is recognized and approved by the Courts of Lebanon County and has primary jurisdiction for law enforcement incidents within our buildings, property, and on school district vehicles. Additionally, we maintain an agreement with the Pennsylvania State Police for assistance in the event of serious incidents or which require additional resources.

Video and Audio Recording – The school district utilizes video recording as part of their safety and security tools. When permitted by law, audio recording may also be used. Generally, these videos are protected by law and are not available for viewing by the public. They are also unavailable if they become part of a law enforcement investigation.

Threat Assessment Team – The school district maintains a threat assessment team which is trained to analyze and evaluate any reported threats to persons or property in the district. Team members have the ability to work with local, state, and federal agencies to determine the best course of action for a person(s) who have made threats against the district. Reports of threats may be made to the district tip lines: tips@norleb.k12.pa.us, or anonymously via the Safe2Say program by phone at 844-SAF2SAY or online at Safe2SayPA.org.

Lost and Found

If your child loses a personal article, please have him/her check the lost and found area located in each school.

Five-Day Cycle Schedule (Elementary)

The first day of school each year is called Day 1; the next is Day 2, etc. The school day, that follows Day 5, begins another cycle as Day 1, and the cycle continues.

Any day school is not in session is not part of the cycle. The building will post the cycle day number in the office area. These cycle days will also be published in the morning bulletin and throughout district publications.
