

The Northern Lebanon Viking Foundation is an independent, non-profit organization created to help acquire and distribute funds in support of innovative educational programs that supplement and enhance the quality of education within the Northern Lebanon School District.

The NLVF strives to provide funding in support of:

- the NL College in the High School program that enables students to graduate high school while gaining college credits;
- supplemental classroom activity grants for innovative educational experiences inside and outside of the classroom; and
- financial scholarships for deserving seniors entering both technical and traditional college programs upon their graduation from Northern Lebanon School District.

The NLVF Thanks You for Your Support!
