PARKING REGULATIONS

- Students may not park in designated faculty or visitor areas.
- Seatbelts must be worn on school property.
- Unregistered vehicles and vehicles parked in unauthorized areas may be towed to an impoundment facility. The vehicle's owner will be responsible for all associated costs. You may be fined for parking without a permit or in an unregistered parking space.
- Vehicles must always have a parking permit displayed.
- School buses and pedestrians always have the right of way.
- Absolutely no loitering on the parking lot before or after school will be permitted.
- The principal and/or School Police have the right to search vehicles when school authorities have a reasonable suspicion that the vehicle contains materials which pose a threat to the health, welfare or safety of students in the school. Prior to a vehicle search the driver will be notified and given the opportunity to be present. Any illegal materials seized may be used as evidence against the student in disciplinary proceedings and will be turned over to the police.
- Students who are granted permission to drive to school do so at their own risk. The district is not responsible for accidents, theft or vandalism.

Enforcement of parking violations could occur using any of the following:

- Warning - Issued by the Building Principals and/or School Police and documented in school records
- Parking ticket – A ticket may be used by the School Police for improper parking on school grounds. The fine will be added to the Student's Obligations and must be paid prior to graduation. Fines range from \$15.00 for a 1st offense, \$30.00 for a second offense, and \$45.00 for a third offense. Violations after a 3rd offense will be handled by a citation, and/or revoking or suspension of driving privileges.
- Traffic or Non-traffic Citation - Depending on the violation, a citation may be issued or filed. A citation could also be filed for non-payment of parking tickets. If a citation is issued, the fines and costs are greater, and violations may be attached to the student's permanent driving record.
- Any serious traffic violations occurring on school property may be reported to the appropriate police agency for criminal prosecution.

Student driving privileges may be suspended or revoked for any of the following reasons:

- Illegal parking or parking in an unauthorized area
- Failing to follow the prescribed traffic flow
- Driving in an unsafe manner both on school property or while in transit on roadways to or from school
- Repetitive tardiness or unexcused absences
- Offenses resulting in Out-Of-School Suspension or other serious disciplinary offenses at the discretion of the building principals
- Leaving school without authorization
- Refusing to submit to a vehicle search request

I have read and understand the parking regulations and that failure to comply with these regulations may result in loss of parking privileges.
