ATHLETICS COMMUNITY

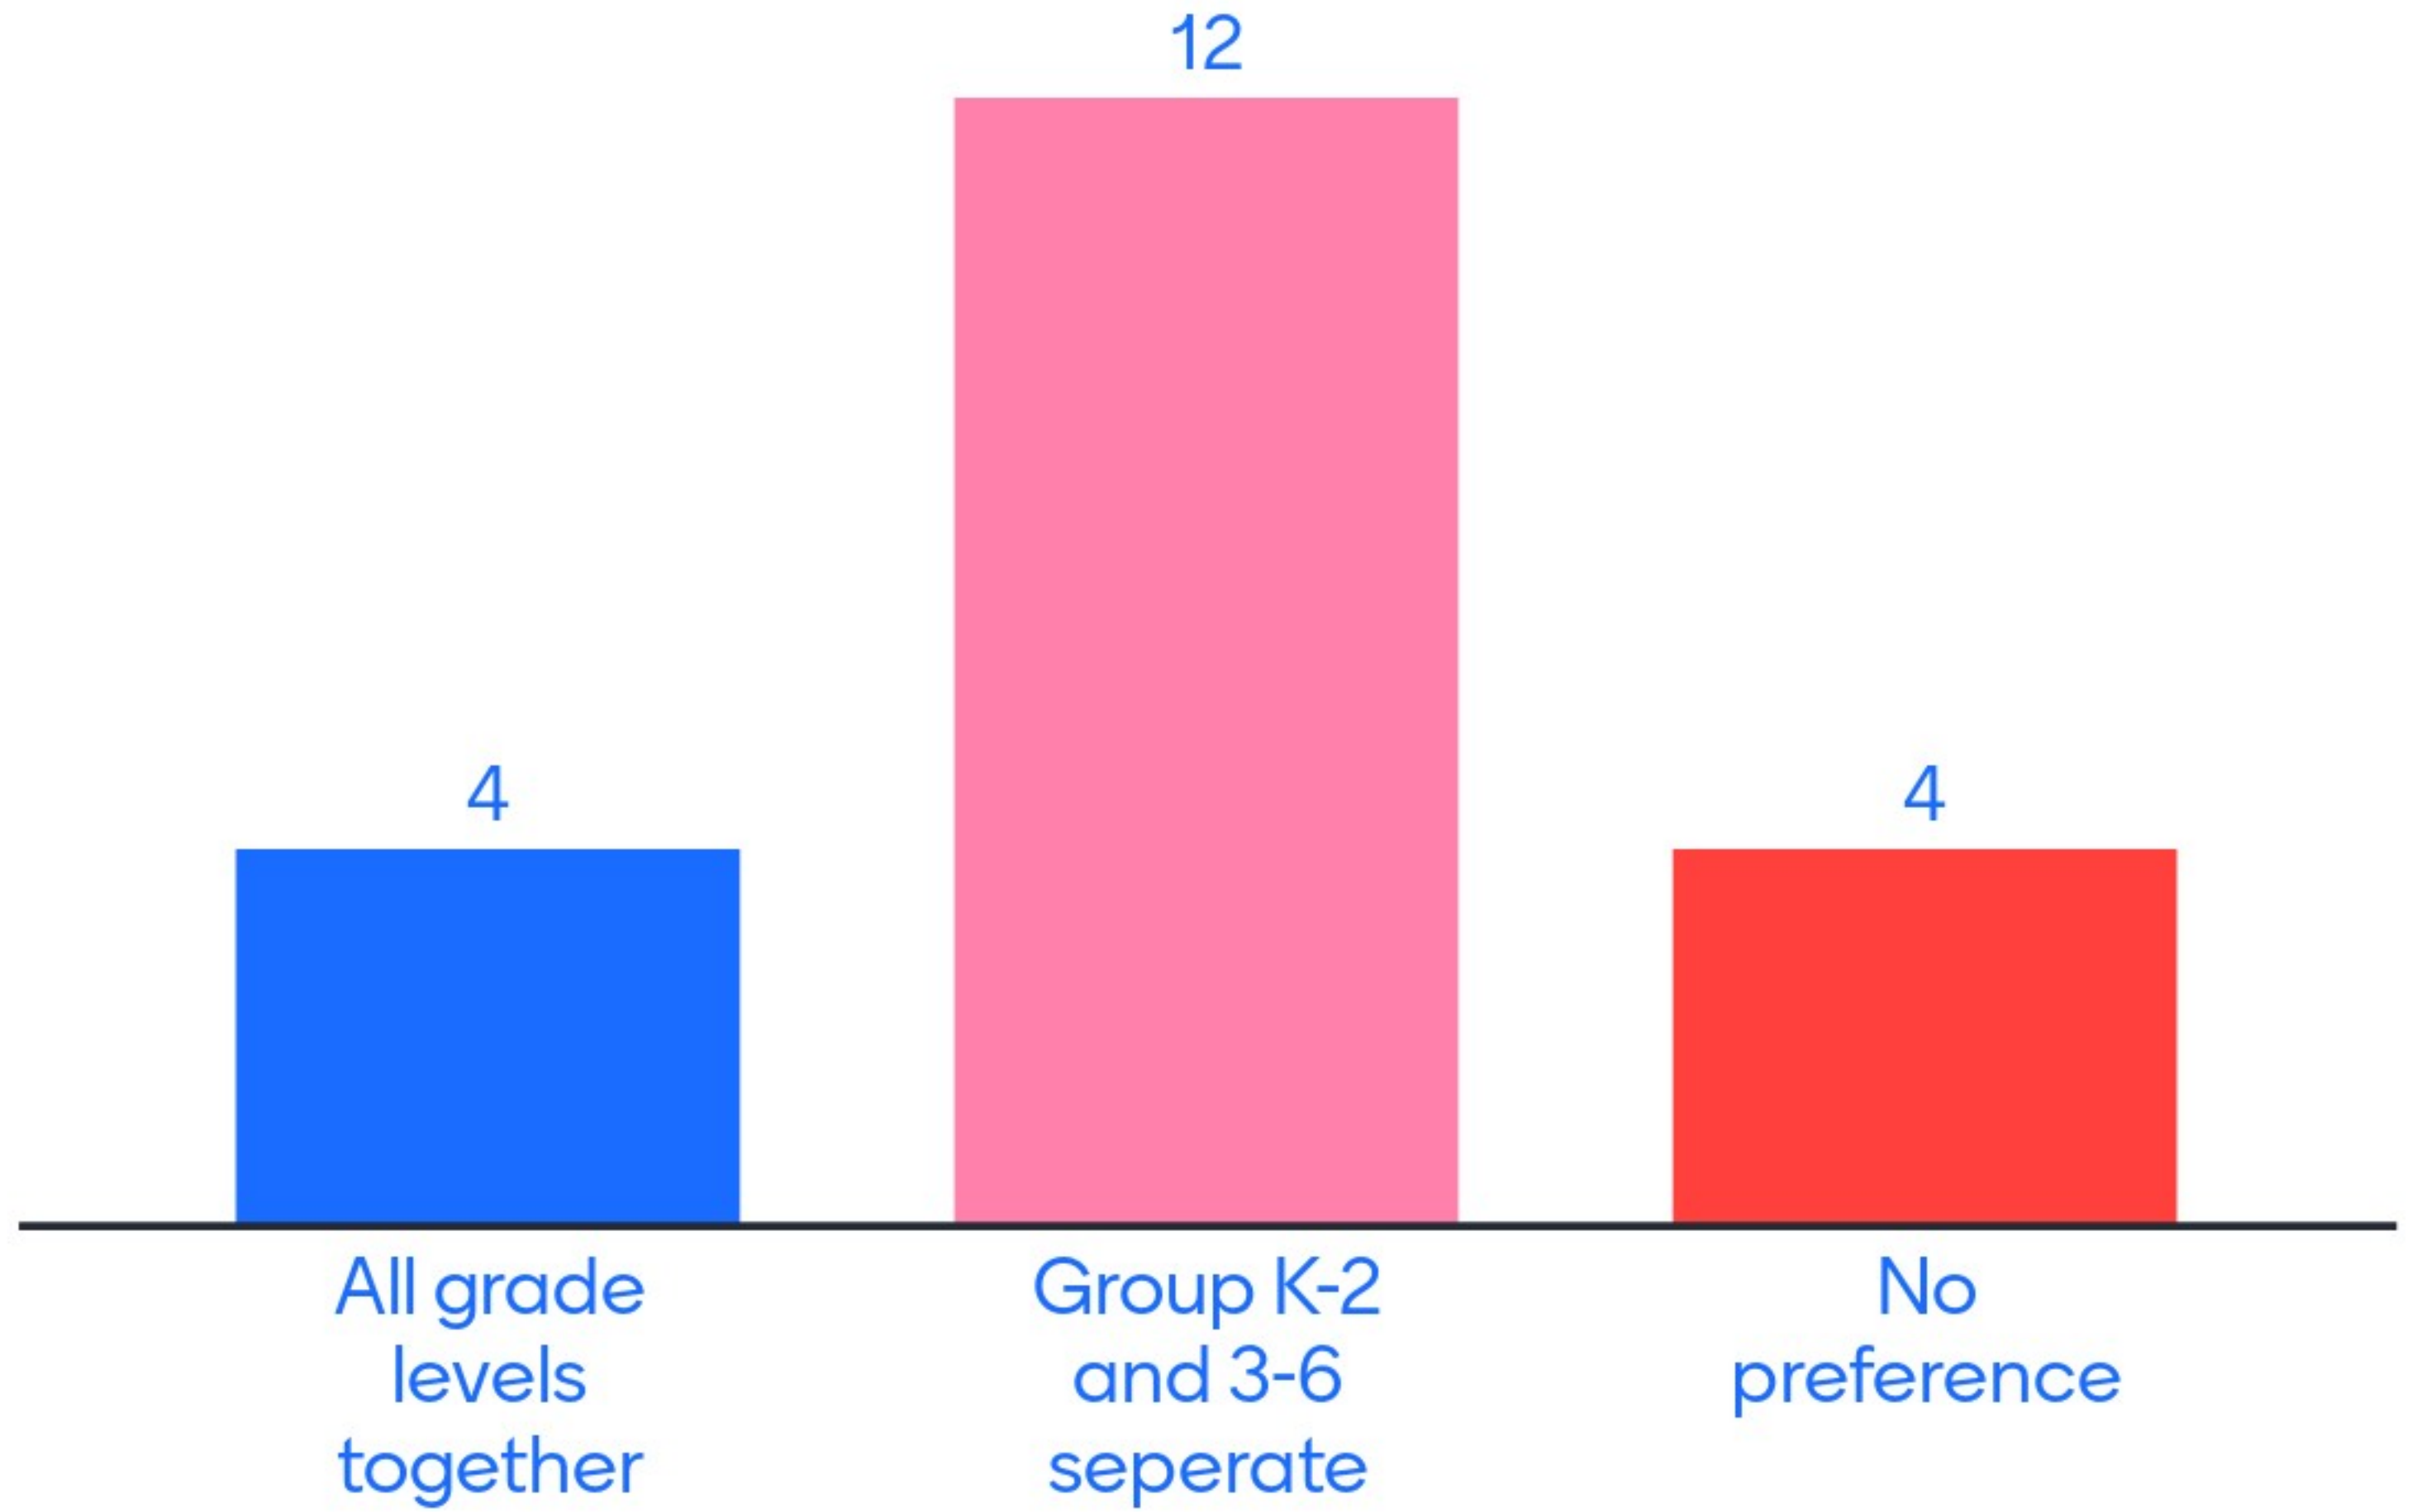

# What do you see being the biggest benefits of the new elementary school? Select one or multiple.

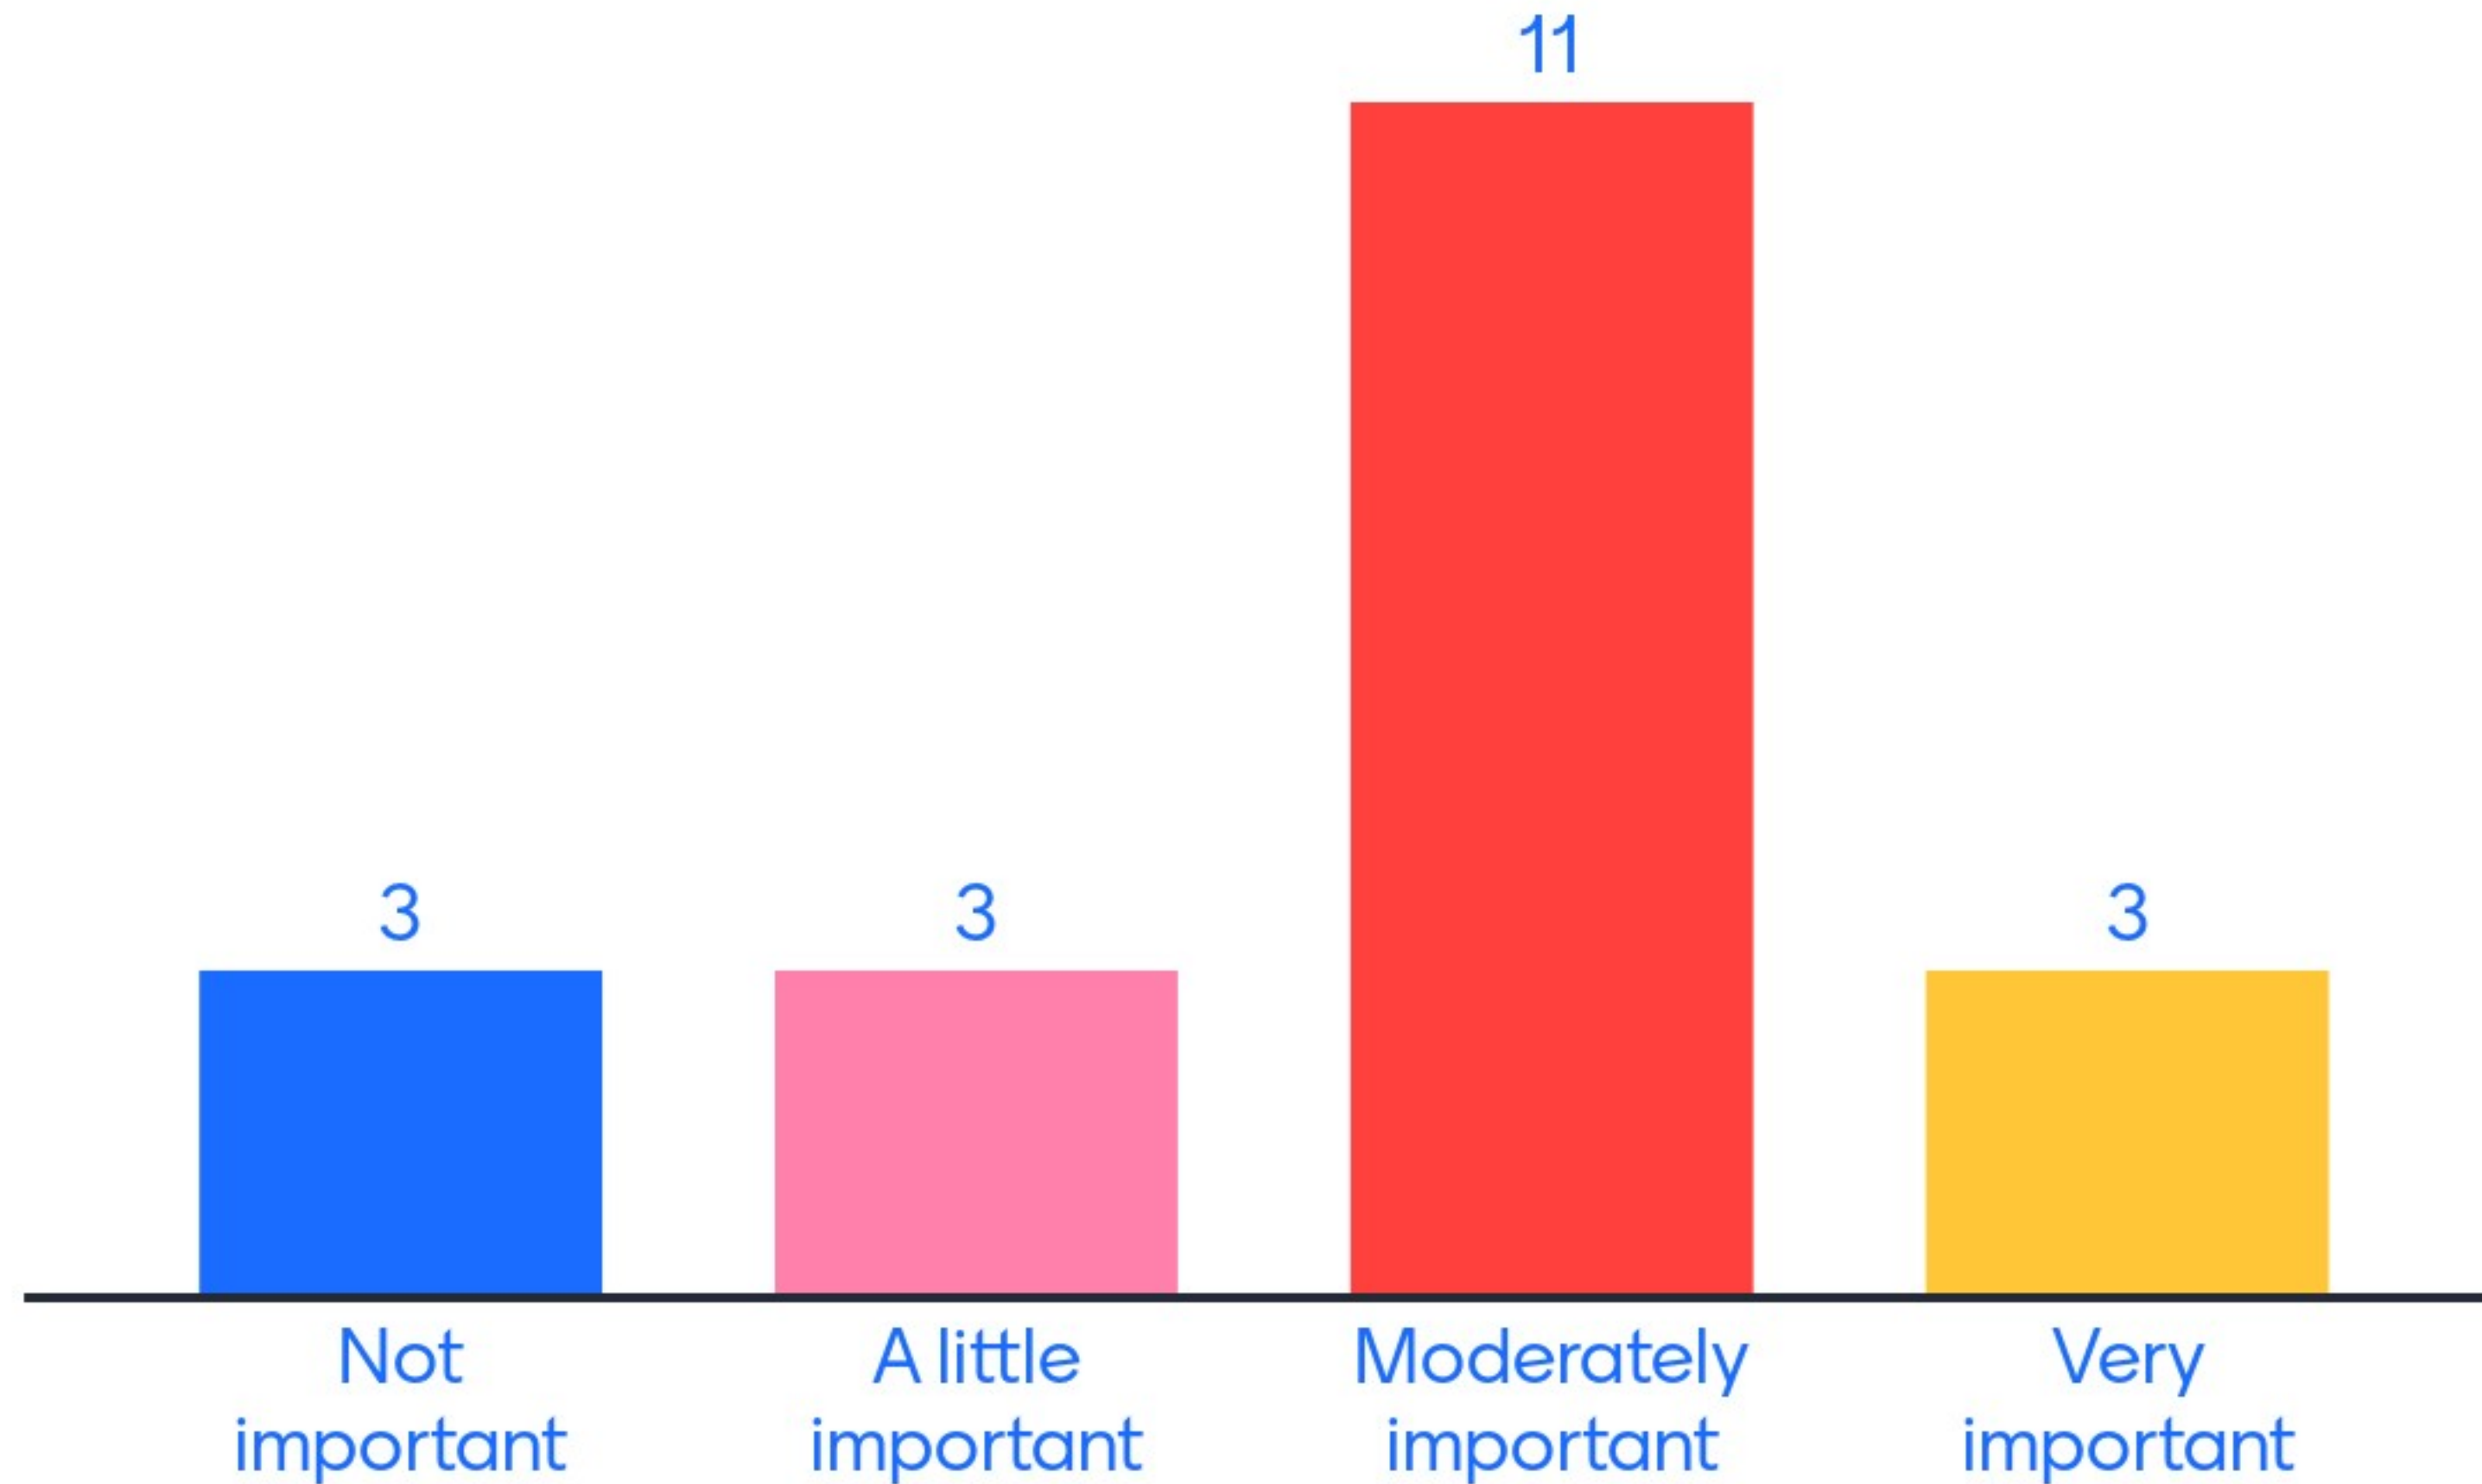

# What do you feel is the biggest challenge of the new elementary school?

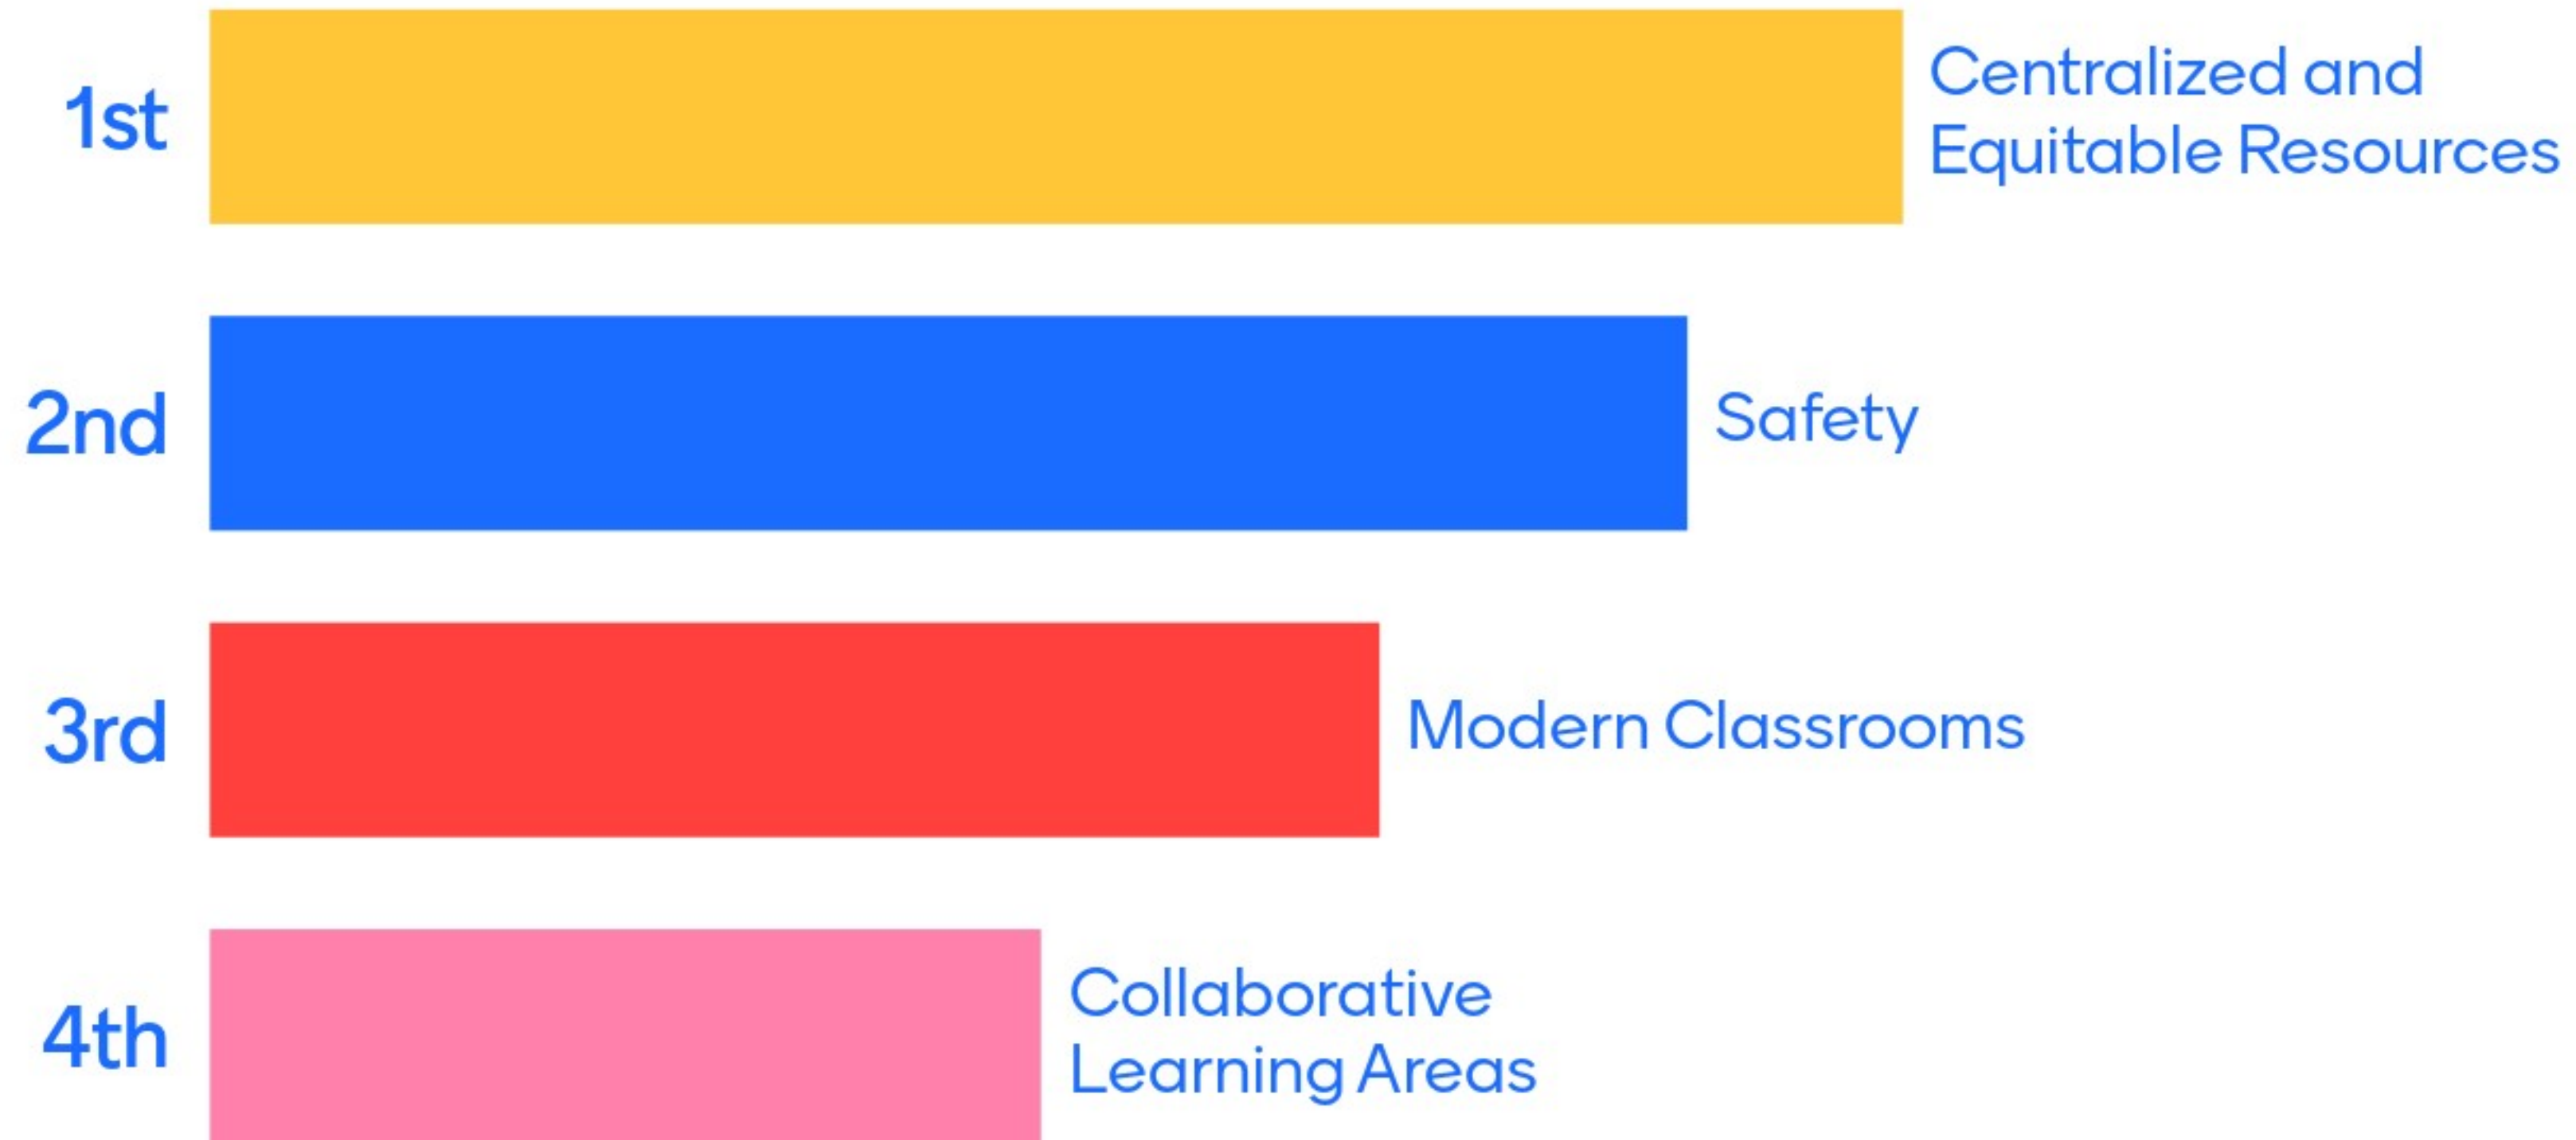

# Should the new school organize all grade levels together or group K-2 and 3-6 in separate areas?

# How important are improvements in NLSD facilities for the arts and athletics in the new elementary building to you?

# What is the most important feature a new school would provide for our students?

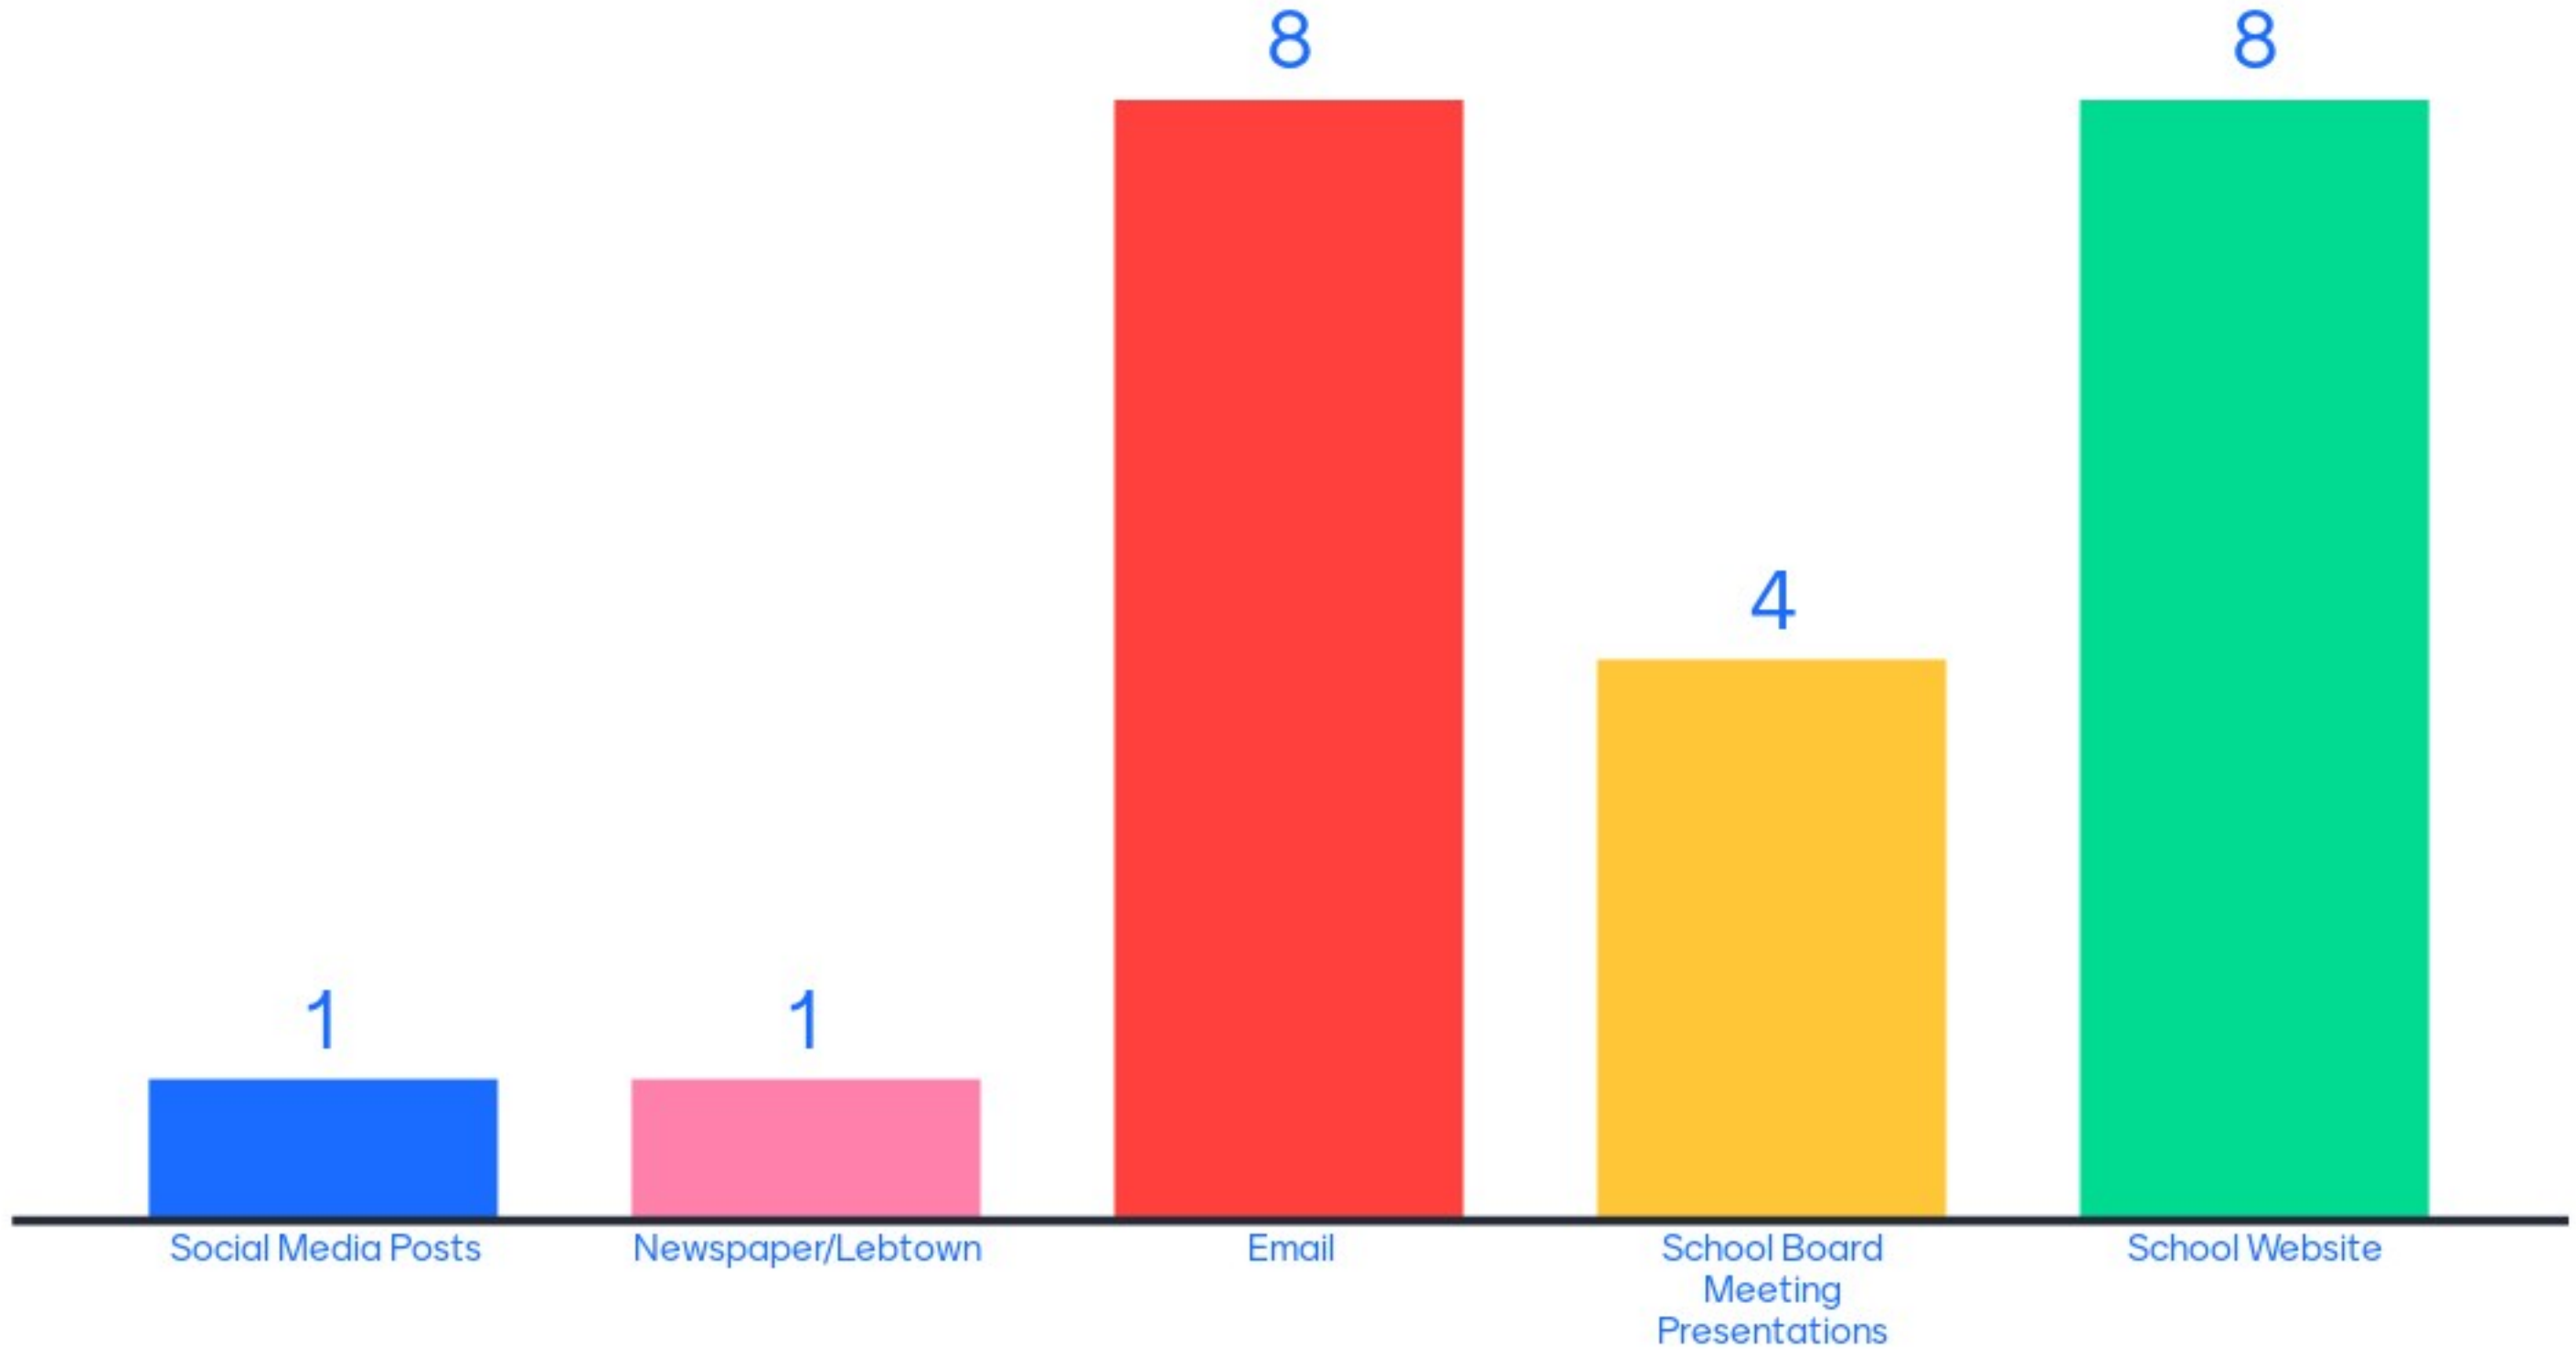

# Are you in favor of exploring renovations to our athletic facilities on the MS/HS campus?

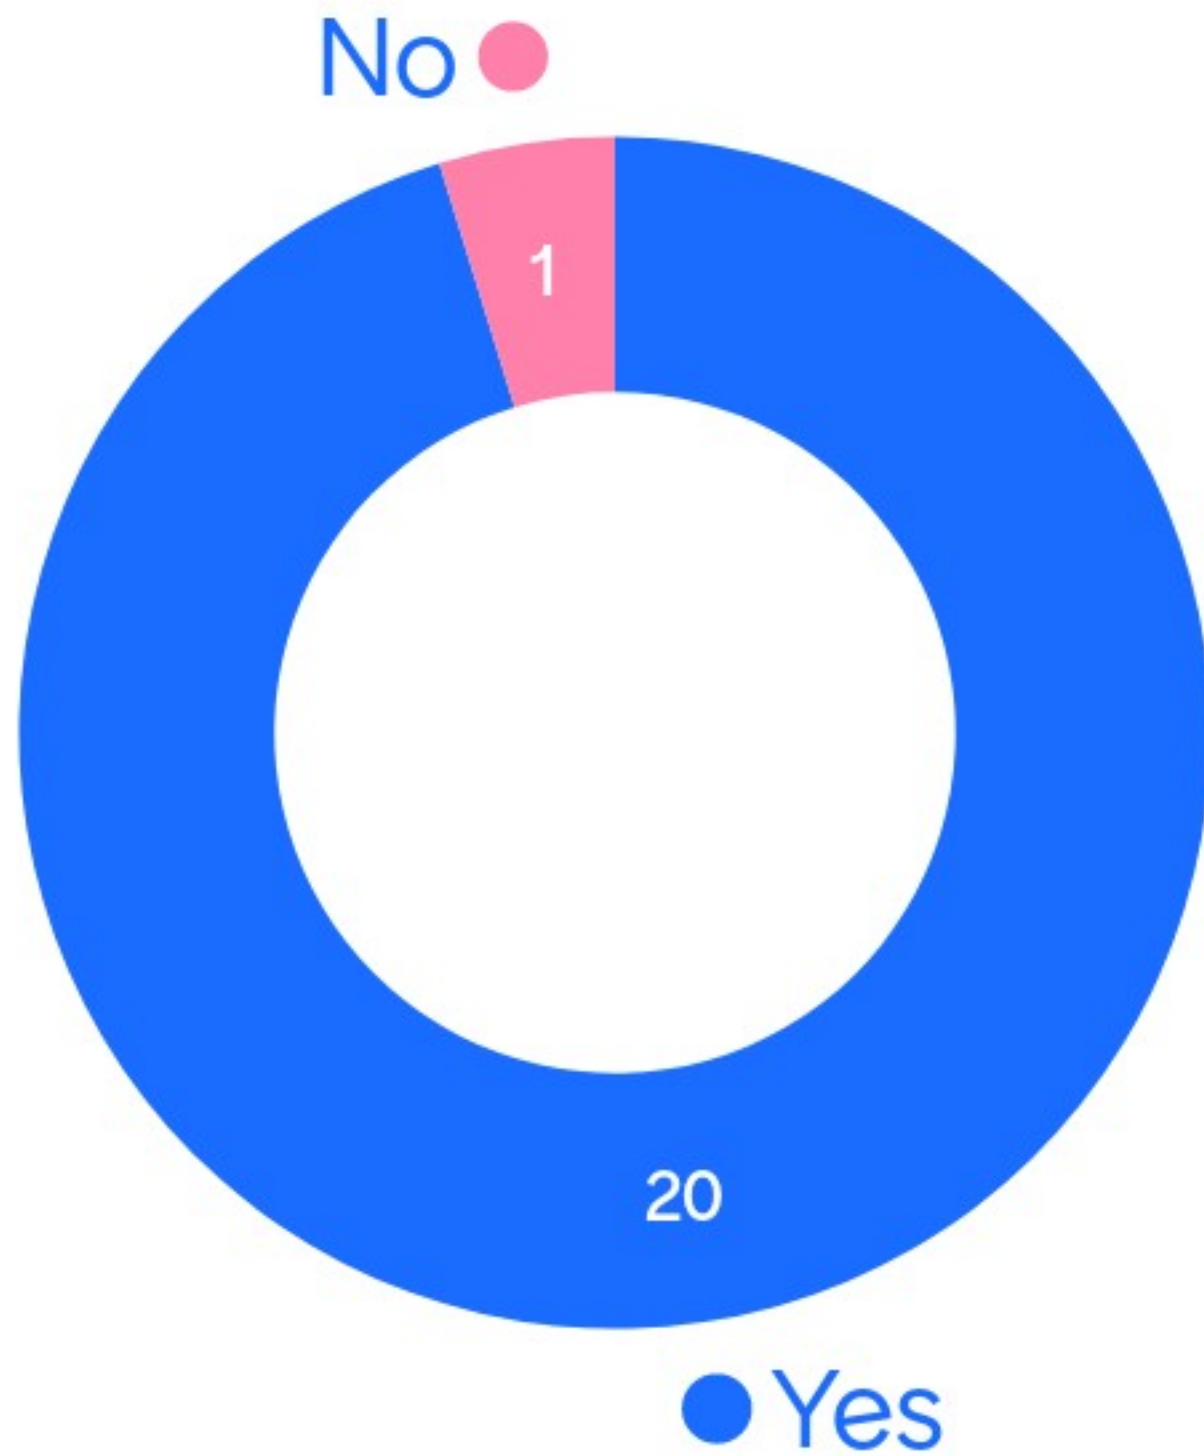

# What is the best way to share building information with the community?

# Are you interested in participating in additional questions on the design of the new elementary school?
