Parent & Student Device Agreement (Revised August 2022)

Students in the Northern Lebanon School District are issued an electronic device for their educational use, under Board Policy 224. If reasonable precautions and care are taken in the use of the device, then the device should not experience any physical damage. Each student who is issued a device is asked to read this form carefully, to understand their rights and responsibilities in the 1-to1 Device Program. The student and parent or guardian should then initial each statement that follows, and then sign at the bottom of this document, to acknowledge that you understand your responsibilities.

The following items reiterate some of the most important points covered in the One-to-One Handbook.	Student Initial	Parent/ Guardian Initial
I/We understand that the device and accessories are the property of the Northern Lebanon School District.		
I/We understand that the student, with the support of the parent, is responsible for the daily care and maintenance of the device and accessories.		
I/We understand and agree to abide by the rules and regulations of the Acceptable Use Policy and the Student Device Handbook . Failure may result in disciplinary action.		
I/We understand that the device must be kept in its protective case at all times, to help prevent accidental damage.		
I/We understand that the device should be kept in a safe place when not used, to protect against loss or theft. I understand that loss or theft that happens away from school property is the responsibility of the student and parent.		
I/We understand that I/we must report all device damage, theft or loss to school administration as soon as possible.		
I/We understand that, unless instructed otherwise by a teacher, all students must have their devices with them each day for every class.		
I/We understand that devices/cases cannot be decorated or personalized. Devices or protective cases marked with pencil, pen, marker, paint, stickers or any other decoration will be viewed as vandalism. I/We accept responsibility for any associated costs to restore the device's appearance.
