

**Articulation Agreement  
between  
Delaware Valley University  
and  
Northern Lebanon High School**

The goals of the articulation process are to:

- a. Provide students with a wide variety of academic coursework that prepares them for a baccalaureate degree.
- b. Recognize and reward students for university -level competencies achieved during high school, and
- c. Assist students in making a smooth transition from high school to post-secondary education.

University credits earned through this articulation agreement will offer students additional flexibility in course selection and allow students to earn credits that can be applied to their degree requirements. Northern Lebanon High School students who successfully complete the Large Animal Science and Production program can receive college credit from Delaware Valley University for the following course:

- (3 credits)- This course satisfies 3 credits of restricted electives in the Large Animal Science major.

Acceptance of the curriculum by Delaware Valley University for these credits is based on the following:

- Northern Lebanon High School students must successfully complete the Large Animal and Science Production program identified above with a “B” average or higher (3.0 GPA on a 4 point scale), and submit an official transcript to the Delaware Valley University, listing the courses and grades received by the student.

The signatures below indicate agreement to the course equivalents and stipulations listed in this document between Northern Lebanon High School and Delaware Valley University. The terms of this agreement will be reviewed periodically to reflect changes in the curriculum and course offerings.
