STUDENT ACCIDENT INSURANCE

2020-2021 SCHOOL YEAR

This is a reminder to parents/guardians with a child or children attending school in the Northern Lebanon School District. Northern Lebanon School District does not carry medical insurance on students. The district does provide parents with the opportunity to select a primary excess group insurance plan for students.

Student accident insurance can help you eliminate the possibility of out-of-pocket expenses, since many group insurance policies no longer pay full hospital and medical expenses and may require a deductible or co-insurance. There are two plans available for your consideration:

- **School Time Coverage Plan**
Costs \$36 per student – This will cover injury occurring during the hours and days when school is in session and while the student is traveling to and from school, while attending school sponsored activities and interscholastic sports.
- **24 Hour Coverage Plan**
Costs \$125 per student – This will cover 24 Hours a day while the student is in school or at home.

Please see the Brochure on the district website for a description of the plans and the various coverage options. Please note that the plans should be considered in conjunction with any other family medical insurance you may have. This insurance can be purchased anytime during the 2020-2021 school year.
